# Brittle Bone Society **SCIENTIFIC SYMPOSIUM**

**Friday 17th August 2018 - Apex Hotel, Dundee**

**Register at [brittlebone.org/for-professionals/scientific-symposium/](http://brittlebone.org/for-professionals/scientific-symposium/)**

The Brittle Bone Society, the UK's only charity supporting people with the rare bone condition Osteogenesis Imperfecta (OI) will host their second Scientific Symposium in August 2018.

The symposium will bring together world leading experts in OI to discuss the latest pioneering knowledge and research. Topics covered will include spinal surgery, dental issues, stem cell therapy and latest updates on research and current drug trials.

The course is certified by the CPD Certification Service as conforming to universally accepted Continuing Professional Development (CPD) guidelines.

There are a limited number of discounted places available for students. Please contact the office for a discount code.

To find out more and to view the draft agenda, visit
