The Brittle Bone Society is the sole UK charity for people who are born with OI, offering support for them and their families. With your help we can provide:

- Annual family conference events for 200 members
- UK wide Youth events for 16 to 30 year olds
- Much needed specialised wheelchairs and equipment costing up to £19,000
- Telephone and online support, especially when a child is newly diagnosed
- Support from NHS specialists through the Charity’s Medical Advisory Board
- Volunteer Support Group Networks across the country

“The new wheelchair was delivered yesterday, he loves it! He has been whizzing about in it, we have already noticed the positive difference to his self-esteem, I picked him up from school today and ended up running behind him to keep up! We would like to thank you and all at the BBS for helping to get the wheelchair” Joanna, Kent

Legacies

Leaving a gift to the BBS in your Will helps us to secure the future of our work. Without these special gifts we would not be able to provide the essential support that people with OI and their families will always need.

Once you have looked after your loved ones, leaving a gift to the BBS in your Will is a wonderful way to support people with OI and their families in the future.

If you want to discuss, on a strictly confidential basis, leaving a legacy to the Brittle Bone Society, please phone Patricia Osborne or Christine Hope on 01382 204446

FAQ

Just Giving/Virgin Money Giving
By creating an online fundraising page using sites like Just Giving and Virgin Money Giving you can instantly reach a wide audience who can donate in a simple and secure way: people can sponsor you anywhere, anytime.

Start social networking
This is a fantastic way of sharing your online fundraising page with your network of family, friends and colleagues. You can tell everyone about your fundraising event at the click of a button and give everyone the latest updates about your fundraising.

Gift Aid
You can give your fundraising a big boost by using Gift Aid. If UK taxpayers Gift Aid their donations the BBS get an extra 25% at no extra cost to the donor. For every £1 donated the BBS receives £1.25 if Gift Aid is added. Please make sure each donor fills in all the sections on the sponsor form.

Raffles and lotteries
Small raffles held as part of a larger event are great as long as ticket sales and the raffle results take place during the event. Raffles on their own have detailed rules so please get in touch with the BBS if you want to organise a big raffle.
Licences
To collect in a public place you will need a licence. You will also need a licence for any of the following activities; sale of alcohol, provision of food and drink, collecting money or selling goods in a public place. Each local authority is different so please do contact the BBS.

Consent
You will need to get a parent’s permission if children are helping at your event or if you are taking photographs of children. If your event is on private property get the permission of the owner. Please contact us if you wish to do a door to door collection as this requires a licence.

Insurance
The Brittle Bone Society cannot accept any liability for your event, nor for anyone who participates in it. We strongly recommend you check you have adequate insurance – please contact us if you have any queries.
